

## IOWA GAMBLING TREATMENT FUND AND SERVICE LEVELS

- The Iowa Gambling Treatment Fund (GTF) received 0.5% of the gross lottery revenue and 0.5% of the adjusted gross receipts from the casinos as well as any money or thing of value obtained by or owed to a voluntarily excluded person by a casino licensee as a result of wagers made by the person after the person has been voluntarily excluded.
- Of the total revenues, \$2,215,000 is appropriated for Other Addictive Disorders (substance abuse). This is a \$615,000 increase compared to FY 2008.
- Revenue to the Gambling Treatment Fund is capped at \$6,000,000. Funds exceeding \$6,000,000 are transferred to the Rebuild Iowa Infrastructure Fund. In FY 2009, \$2,546,763 was transferred to the Rebuild Iowa Infrastructure Fund.
